ITEM #3
IDENTIFY THE FCC ACTION FOR WAIVER

Request for WAIVER – FORM 471
FORM 471 #1054932 – Certified filed out of window

Leased Access Points should have been filed as CAT2 Managed Internal Broadband Services. (471# 1000541- not funded by USAC)

This service was a multi-year contract. We filed it the same as previous year - for this reason. USAC changed the Eligible services categories, we believed this issue may have been confused during PIA review if we changed the category of services without additional explanation.

During USAC PIA review - we refiled the FORM 471# 1054932 (under CAT2) for funding reconsideration (based on another client funding case (AVERY ISD) – PIA reviewer made request to resubmit FORM 471 & funded FRN).
